**RECEIVER’S FIFTH REPORT FOR THE PERIOD OF MARCH 1, 2026  
THROUGH AND INCLUDING APRIL 30, 2026**

Matthew Brash of Newpoint Advisors Corporation, not individually, but solely in his capacity as receiver (“Receiver”) of the Defendants (defined below), pursuant to Local Rule 66.1(b) and this Court’s *Amended Order Appointing Receiver*, dated July 31, 2025 (“Amended Receivership Order”) [ECF 52],<sup>1</sup> hereby submits his fifth report summarizing the activities performed by the Receiver for the period of March 1, 2026, through and including April 30, 2026 (“Reporting Period”), and states as follows:

**I. APPOINTMENT OF THE RECEIVER AND BACKGROUND INFORMATION**

On July 11, 2025, plaintiff SG Stonegate Asset Company I, LLC (“Plaintiff”) commenced this case against defendants GSC Enterprises, Inc., GSC Logistics, Inc., Best Way Trucking, Inc., GSC National Transportation, Inc., GSC Solutions, Inc., GSC Transport, Inc., MacMillan-Piper LLC, Tacoma Transload LLC, GSC Logistics Norcal Brokerage, Inc., and GSC Logistics PNW Brokerage, Inc. (collectively, the “Defendants” or “Companies”). In its complaint, Plaintiff sought: (i) a judgment for Defendants’ breach of certain loan documents; and (ii) the foreclosure of its

security interests in Defendants' personal property. As alleged in Plaintiff's complaint, Defendants are in default of their obligations under various loan documents with Plaintiff in connection with a loan with a current balance in excess of \$1.75 million.

On July 14, 2025, Plaintiff filed an emergency motion [ECF 4] ("Receiver Motion") seeking the immediate appointment of a receiver over the Companies. As explained in the Receiver Motion, the immediate appointment of a receiver was necessary to protect the value of Plaintiff's collateral because Defendants ceased all operations and terminated approximately 200 employees on or about July 10, 2025. Further, on July 13, 2025, Defendants' management sent an email to its vendors and customers notifying them that they had no ability to respond to ongoing inquiries.

On July 15, 2025 (the "Appointment Date"), the Court entered the *Order Appointing Limited Receiver* [ECF 7], as subsequently amended by the Amended Receivership Order, appointing Matthew Brash of Newpoint Advisors Corporation as the receiver over the Companies and their property. The following day, the Receiver's team arrived at the Companies' facilities in California and Washington to find millions of dollars of customers stranded cargo spread out over nine properties with no employees and administrative expenses accruing at over \$1 million per month. The Receiver and his team were also inundated with hundreds of emails, texts and calls from employees, landlords, customers, trucking contractors, and other vendors seeking access to their goods, seeking payment of amounts owed and/or threatening litigation.

## **II. PRIOR REPORTS**

Pursuant to the Amended Receiver Order, the Receiver prepared and filed the *Receiver's Initial Report of Property and Known Liabilities* ("Initial Report") [ECF 112]. The Initial Report reflected the Receiver's preliminary understanding of the known assets and liabilities of the Companies. It was approved by the Court on October 21, 2025 [ECF 187].

In compliance with the Amended Receiver Order, the Receiver filed the following receivership reports summarizing the activities performed and receivership estate's financials during the applicable reporting period:

| Receiver Report                                          | Reporting Period                     | Date Approved               |

### III. CORPORATE OVERVIEW

Prior to ceasing operations, the Companies formed an integrated transportation and logistics group, providing services from container drayage and warehousing to administrative support and shared services. The Companies specialized in the handling of containerized freight, with primary focus on intermodal transportation linked to the Ports of Oakland, Tacoma/Seattle, and Savannah. The customer base included both domestic and international clients, many of whom relied on the Companies for port-to-warehouse movement, storage, and onward distribution of goods. The Companies' books and records included a significant number of intercompany transactions that were eliminated in the consolidated financial reporting under GSC Enterprises.

The Companies' and their corporate organizational structure are reflected below:

- **GSC Enterprises** – GSC Enterprises, Inc. ("GSC Enterprises") served as the holding company for a network of operating subsidiaries. GSC Enterprises was responsible for consolidating financial results and eliminating intercompany transactions.
- **GSC Solutions, Inc.** ("GSC Solutions") – Shared services provider responsible for information technology, human resources, and marketing for the

Companies. Operated exclusively to support affiliates out of the Oakland headquarters.

- **GSC Logistics, Inc.** (“GSC Logistics”) – Primary operating entity, responsible for offloading, warehousing, and reloading customer-owned inventory (“Customer Inventory”). Facilities were concentrated near the Ports of Oakland and Tacoma.
- **MacMillan-Piper, LLC** (“MacMillan-Piper”) – Wholly owned subsidiary of GSC Logistics, operating significant warehousing and yard facilities in Seattle and Tacoma.
- **Tacoma Transload LLC** (“Tacoma Transload”) – Wholly owned subsidiary of GSC Logistics. It appears that Tacoma Transload’s operations were consolidated with MacMillan-Piper prior to the Appointment Date.
- **GSC Transport, Inc.** (“GSC Transport”) – Motor carrier with active authority to operate in California, Washington, and Georgia.
- **GSC National Transportation, Inc.** (“GSC National”) – A brokerage and administrative operation arranging for the movement of freight nationwide. It operated in close coordination with GSC Transport.
- **GSC Logistics NorCal Brokerage, Inc.** (“GSC NorCal”) & **GSC Logistics PNW Brokerage, Inc.** (“GSC PNW”) – These entities provided brokerage services. It appears that their operations were consolidated with GSC National prior to the Appointment Date.
- **Best Way Trucking, Inc.** (“Best Way”) – A wholly owned subsidiary of GSC Transport. It appears that Best Way’s operations were consolidated with GSC Transport prior to the Appointment Date.

The balances held in the Operating Account and the Segregated Account were as follows on each of the dates reflected below:

| <b>Western Alliance Bank Account</b> | <b>Balance at October 31, 2025</b> | <b>Balance at December 31, 2025</b> | <b>Balance at February 28, 2026</b> | <b>Balance at April 30, 2026</b> |

<sup>2</sup> The increase between the February 28 and April 30, 2026 ending account balances relate to \$12,648.66 in accounts receivable collections from the Receiver’s Supplemental Billing (defined below) and accrued interest during the Reporting Period.

**C. Collections During the Reporting Period**

A detailed accounting of all disbursements is set forth in **Exhibit C**.

**V. SUMMARY OF ACTIONS TAKEN**

The narrative set forth below provides a summary of the services performed by the Receiver and his professionals for the Reporting Period:

**A. 401(k) Plan**

The Companies' 401(k) plan (the "401(k) Plan") was administered by Fidelity Investments.

On October 2, 2025, the Receiver filed the *Receiver's Motion to Employ Independent Fiduciary*

---

<sup>3</sup> These disbursements consist of final payments of \$165,000 to Southern Glazer's Wine & Spirits, LLC and \$46,143 to Flexport International, LLC per the *Order Granting Receiver's Motion To Approve Settlements With Certain Customers*, dated March 6, 2026 (the "Customer Settlement Order") [ECF 229].

*to Administer and Terminate Defendants' 401(K) Plan* [ECF 170]. On October 8, 2025, the Court granted the motion and appointed Mr. Charles Persing and the firm of Bederson LLP to serve as the independent fiduciary (collectively, the “Independent Fiduciary”) to administer and terminate the 401(k) Plan in accordance with the 401(k) Plan’s governing documents and applicable law [ECF 180].

The Independent Fiduciary continued to take steps to wind down the 401(k) Plan during the Reporting Period. However, as previously reported, the Companies failed to remit (i) \$20,153.76 withheld from employees’ paychecks for employee contributions to 401(k) Plan and (ii) \$8,305.11 in employer matching funds to the 401(k) Plan. The issues related to these outstanding obligations have delayed termination of the 401(k) Plan.

**B. Accounts Receivable**

The Receiver continued his efforts to collect the outstanding accounts receivable during the Reporting Period. As reported above, the accounts receivable collections totaled \$168,630.66 during the Reporting period, of which \$155,982.00 related to collections on outstanding invoices issued by the Companies prior to the Appointment date and \$12,648.66 related to collections on the invoices sent out by the Receiver for pre-receivership services that were unbilled after the Appointment Date (the “Supplemental Billing”). The Receiver is continuing his efforts to collect the remaining \$83,192.19 of the Supplemental Billing that remains outstanding.

While not reflected in the above-referenced accounts receivable collections, the Receiver disbursed the aggregate amount of \$211,143.00 to Flexport International, LLC and Southern Glazer’s Wine & Spirits, LLC pursuant to the Customer Settlement Order during the Reporting Period from Segregated Account. As of April 30, 2026, there were no funds being held in the Segregated Account related to any receivables.

**C. Stakeholder Communications**

Since the Appointment Date, the Receiver has received hundreds of emails, phone calls, and text messages from former employees, vendors, customers, and other stakeholders. The Receiver has made substantial efforts to timely respond to inquiries to ensure that parties remain informed throughout the receivership process. During the Reporting Period, the Receiver continued to respond to inquiries from various parties of interest and updated the Receiver's dedicated website ([www.gscreceivership.com](http://www.gscreceivership.com)) for this case.

**VI. CLAIMS PROCESS**

On September 2, 2025, the Court entered an order requiring all creditors (except for the United States of America) seeking to assert pre-receivership claims against Defendants to file proofs of claim with the Receiver by October 31, 2025 (the "Creditor Bar Date"). As of the end of the Reporting Period, a total of 652 claims in the aggregate amount of \$86,916,151.69 were filed against the Companies as follows:

| <b>Companies</b>                    | <b>No. of Claims</b> | <b>Dollar Value of Claims</b> |
|-------------------------------------|----------------------|-------------------------------|
| MacMillan-Piper                     | 156                  | \$23,737,903.33               |

| GSC National                        | 115                  | \$4,742,050.05                |
| GSC Transport                       | 54                   | \$3,257,193.12                |
| GSC Solutions                       | 47                   | \$3,504,259.25                |
| Tacoma Transload                    | 11                   | \$2,574,781.60                |

| Best Way                            | 5                    | \$2,488,073.12                |
| <b>Total</b>                        | <b>652</b>           | <b>\$86,916,151.69</b>        |

All but 15 creditor claims totaling \$2,724,356.34 were received prior to Creditor Bar Date. The claims submitted have not yet been reviewed in detail, nor have they been analyzed for accuracy or validity. The Receiver will begin the process of analyzing all claims for completeness, accuracy and validity after the Reporting Date.

## VII. LITIGATION

### A. Amazon Litigation

Prior to the Appointment Date, GSC Logistics filed an action against Amazon.com Services LLC and Amazon Logistics, Inc. (collectively, “Amazon”) in the United States District Court for the Southern District of New York (the “New York District Court”), pending as Case No. 23-CV-5368 (JGLC) (the “Amazon Litigation”). The Amazon Lawsuit arose from a contractual business relationship Amazon reached with GSC Logistics. GSC Logistics agreed to a four-year contract to provide Amazon with transloading, transportation, and other logistics services for cargo moving through the Port of Oakland and in Northern California during the height of the COVID-19 pandemic. GSC Logistics alleged that Amazon reneged on their contract by, *inter alia*, pulling out of the four-year deal after two years without cause, without providing the contractually mandated opportunity to cure, and without paying liquidated damages, resulting in damages in excess of \$25 million. After the Appointment Date, the Receiver continued to prosecute the Amazon Litigation on behalf of the receivership estate and its creditors.

On April 3, 2026, the Receiver filed the *Receiver’s Motion for Entry of an Order Approving Settlement with Amazon.com Services LLC and Amazon Logistics, Inc.* (“Settlement Motion”) [ECF 244]. In the Settlement Motion, the Receiver sought authority to settle the Amazon Litigation for \$10 million pursuant to the terms of the Settlement Agreement, dated as of March 25, 2026.

On April 21, 2026, the Court entered the *Order Granting Receiver’s Motion to Approve Settlement with Amazon.Com Services LLC and Amazon Logistics, Inc.* (“Settlement Order”) [ECF 259], which approved the Receiver’s settlement with Amazon. Per the terms of the Settlement Agreement, Amazon is obligated to pay \$10 million to the Receiver on or before June 22, 2026.

**B. Taylor Litigation**

On September 25, 2025, the Court entered an order (the “Approval Order”) [ECF 161] approving a settlement stipulation (the “Stipulation”) that the Receiver reached with Plaintiff. Among other things, the Stipulation (i) allowed Plaintiff’s claim in the amount of \$2,460,558.79, (ii) authorized the Receiver to make a \$1,960,490.10 distribution to Plaintiff, (iii) consensually subordinated Plaintiff’s remaining claim for a \$550,000 “exit fee” to administrative and other general unsecured creditors other than “insiders” of the Companies, and any claims contractually subordinated to Plaintiff’s claim, (iv) reaffirmed the contractual subordination of certain specified claims to the full payment of Plaintiff’s claim, and (v) waived Plaintiff’s right to seek payment of additional payments from the receivership.

On February 19, 2026, Scott Taylor (“Taylor”), the Chief Executive Officer and Chairman of GSC Enterprises, filed a motion for the Court to reconsider the Approval Order (the “Reconsideration Motion”) [ECF 218]. In the Reconsideration Motion, Taylor requests the Court alter or unwind the Stipulation and to grant Taylor a secured, first priority equitable subrogation claim against the receivership in the amount of \$1 million based on amounts he pledged to Plaintiff prior to the Appointment Date.

On April 15, 2026, the Receiver filed his response in opposition to the Motion for Reconsideration (the “Response”) [ECF 254]. In the Response, the Receiver asserted, among other things, that: (a) the Reconsideration Motion was untimely and procedurally improper; (b) Taylor’s claims are contractually subordinated to Plaintiff’s claims against the Companies (i.e., by agreement between Taylor and Plaintiff); and (c) Taylor is not entitled to a secured subrogation claim because (i) Plaintiff has not yet been paid in full, (ii) it would be inequitable for Taylor to receive a secured subrogation claim, and (iii) Taylor has not repaid a \$957,000 loan owed to GSC Logistics.

The briefing on the Motion for Reconsideration continued after the Reporting Period and is ongoing, and the Motion for Reconsideration has not been ruled on by the Court.

#### **VIII. FORENSIC ACCOUNTING**

During the Reporting Period, the Receiver continued his forensic accounting analysis of the Companies' financial records. This review is focused on reconciling historical financial statements, identifying potential irregularities or misstatements, and tracing the flow of funds leading up to the commencement of the receivership. The objective of this process is to ensure an accurate understanding of the Companies' financial condition, to validate creditor claims where necessary, and to support the Receiver's efforts to maximize recovery for the receivership estate. The forensic analysis is ongoing and will continue into the next reporting period.

#### **IX. RECEIVERSHIP TAXES**

On April 1, 2026, the Court entered an order authorizing the Receiver to employ Nicholas Sanchez and the accounting firm of Miller Kaplan Arase LLP (collectively, "Miller Kaplan") as his accountant, tax consultant, and tax preparer [ECF 243]. Miller Kaplan timely filed an extension of the April 15, 2016 deadline for the Receiver to file the receivership estate's tax return for the year ending December 31, 2025. No payment was required in connection with the extension filing.

#### **X. CASH BUDGET**

The Receiver has updated the cash budget (the "Budget") for the upcoming 90-day period to reflect current cash availability, anticipated receipts, and projected disbursements. A copy of the Budget with monthly actuals through April 2026 and projections through July 2026 is set forth in Exhibit D. The Budget is intended to preserve estate assets, satisfy necessary administrative expenses, and address critical obligations during the forecast period. The Budget remains subject to change based on actual receipts, timing of expenditures, and other developments affecting the

receivership. The Receiver will continue to monitor cash flow closely and revise the Budget, as appropriate.

**XI. FEES AND EXPENSES OF THE RECEIVER AND COZEN O’CONNOR**

The Receiver and Newpoint rendered 31.5 hours of professional services for March 2026 and 71.5 hours in April 2026, for the benefit of the receivership estate. The aggregate amount due for those services, less applicable discounts, is \$12,960.50 for March 2026, and \$29,019.00, for April 2026. The Receiver also incurred expenses in connection with those services in the amount of \$477.35 in March 2026, and \$541.11 in April 2026.

Cozen O’Connor (“Cozen”) rendered 37.4 hours of professional services in March 2026 and 67.9 hours in April 2026. The aggregate amount due Cozen for those services is \$30,415.50 for March 2026 and \$56,286.00 in April 2026. Cozen also incurred expenses in connection with those services in the amount of \$1,654.40 in March 2026 and \$428.80 in April 2026.

I affirm that the foregoing information is true and correct to the best of my knowledge, information, and belief.

**IMPORTANT INFORMATION ABOUT YOUR STATEMENT**

You are responsible for promptly examining your statement each statement period and reporting any irregularities to us. The periodic statement will be considered correct for all purposes and we will not be liable for any payment made and charged to your Account unless you notify us in writing within certain time limits after the statement and checks are made available to you. We will not be liable for any check that is altered or any signature that is forged unless you notify us within thirty (30) calendar days after the statement is made available. Also, we will not be liable for any subsequent items paid, in good faith, containing an unauthorized signature or alteration by the same wrongdoer unless you notify us within thirty (30) calendar days after the statement is made available. If you have requested us to hold your Account statements, we have the right to mail your statements if you have not claimed them within thirty (30) calendar days. If we truncate your checks or provide you with an image of your checks, you understand that your original checks will not be returned to you with your statement. You agree that our retention of checks does not alter or waive your responsibility to examine your statements or change the time limits for notifying us of any errors.

**IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS**

Write us at One E Washington Street, Suite 100, Phoenix, AZ 85004, telephone us at (877) 273-2265 or e-mail us at [inquiries@alliancebankofarizona.com](mailto:inquiries@alliancebankofarizona.com) as soon as you think your statement or receipt is wrong or if you need more information about a transfer on this statement. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. In your letter:

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information.
- Tells us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this (or 20 business days for a new account), we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

**METHOD USED TO DETERMINE THE BALANCE ON WHICH THE INTEREST CHARGE WILL BE COMPUTED**

**Revolving Lines of Credit** - We figure the interest charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances and fees and subtract any unpaid interest charges and any payments or credits. This gives us the daily balance.

**The Annual Percentage Rate and Daily Periodic Rate may vary.**

**IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR STATEMENT**

If you think there is an error on your statement, write to us at Western Alliance Bank, 2701 E. Camelback Rd, Suite 110, Phoenix, AZ 85016

- Account Information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question. While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or any interest or other fees related to that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question, or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.

**METHOD USED TO DETERMINE THE BALANCE ON WHICH THE INTEREST CHARGE WILL BE COMPUTED**

**Revolving Lines of Credit** - We figure the interest charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances and fees and subtract any unpaid interest charges and any payments or credits. This gives us the daily balance.

**The Annual Percentage Rate and Daily Periodic Rate may vary.**
